*** FEE CONDITIONS**

- **Fee Year:** Our 'fee year' runs from September – August.
- We do not charge for bank holidays, closure period and inset days.
- Inset days will be held on 23rd October 2026, 25th March 2027 and 31st August 2027 for this fee year.
- Our claims for funding are made in:
 - September (Autumn term) September – December
 - January (Spring term) January - April
 - April (Summer term) May - August.
- If you are unable to claim funding within a term, full fees are payable.
- If you adjust your days within the 'fee year', the fees will be adjusted to take into account the funded hours received and due. This will be explained to you at the time you request the change.
- If you start during a funded period, then your fees will be adjusted to reflect the number of hours that we are able to claim for the remainder of the 'fee year'.
- Extra sessions will not be funded and will be charged at the Extra sessions rate.
- We stretch funding as best we can across all 51 weeks of the year that we operate, and we can claim a maximum of 10 hours a day.

****AVERAGE MONTHLY COST**

- The monthly costs shown in the fee tables are a guide and this depends on your start date and the days of the week that your child attends.
- Depending on the days your child attends in the week, the average monthly cost may be slightly higher or lower. This is because in the year, after excluding bank holidays, inset days and closure days; there are 47 Mondays, 51 Tuesdays, 51 Wednesdays, 50 Thursdays and 48 Fridays. As an example, a 2-year-old attending three days a week on Tuesday, Wednesday and Friday will pay the maximum monthly fee of £532.25.

***** AVERAGE HOURS TO PAY EACH YEAR**

- The hours to pay in each fee year shown in the fee table is a guide only. Local Authorities determine a maximum number of funding hours that can be claimed within a term and as this varies from term to term, it will have an impact on the number of hours you need pay. We will explain how this will apply to your booking during the booking process.
